

S1 Mathematics: Solving Linear Equations

Competency: Algebra Expressions and Linear Equations | Difficulty: Intermediate | Duration: 45 min | Material #8

Learning Overview

Develops skills for solving linear equations and constructing equations from word problems.

Learning Objectives

- Understand the core concepts of Algebra Expressions and Linear Equations.
- Apply learned techniques to solve related problems.
- Connect this topic to real-world Rwandan contexts.
- Build mastery toward Mathematics Grade S1 proficiency.
- Prepare for competency assessments and national exams.

Study Notes

Use this space to write key concepts, formulas, and worked examples.
