

S2 Mathematics: Quadratic Equations by Factorisation

Competency: Algebra Quadratic Equations and Inequalities | Difficulty: Intermediate | Duration: 50 min | Material #13

Learning Overview

Solves quadratic equations by factorisation and completing the square with graphical interpretation.

Learning Objectives

- Understand the core concepts of Algebra Quadratic Equations and Inequalities.
- Apply learned techniques to solve related problems.
- Connect this topic to real-world Rwandan contexts.
- Build mastery toward Mathematics Grade S2 proficiency.
- Prepare for competency assessments and national exams.

Study Notes

Use this space to write key concepts, formulas, and worked examples.
