

S2 Mathematics: The Quadratic Formula and Inequalities

Competency: Algebra Quadratic Equations and Inequalities | Difficulty: Advanced | Duration: 55 min | Material #14

Learning Overview

Applies the quadratic formula and solves linear and quadratic inequalities on a number line.

Learning Objectives

- Understand the core concepts of Algebra Quadratic Equations and Inequalities.
- Apply learned techniques to solve related problems.
- Connect this topic to real-world Rwandan contexts.
- Build mastery toward Mathematics Grade S2 proficiency.
- Prepare for competency assessments and national exams.

Study Notes

Use this space to write key concepts, formulas, and worked examples.
