

# S1 Physics: Newton's Laws of Motion

Competency: Forces and Newtons Laws | Difficulty: Beginner | Duration: 50 min | Material #35

## Learning Overview

Explains Newton's three laws of motion with demonstrations and quantitative problem solving.

## Learning Objectives

- Understand the core concepts of Forces and Newtons Laws.
- Apply learned techniques to solve related problems.
- Connect this topic to real-world Rwandan contexts.
- Build mastery toward Physics Grade S1 proficiency.
- Prepare for competency assessments and national exams.

## Study Notes

Use this space to write key concepts, formulas, and worked examples.
