

S1 Physics: Reflection of Light and Plane Mirrors

Competency: Light Reflection and Refraction | Difficulty: Beginner | Duration: 40 min | Material #39

Learning Overview

Explains the laws of reflection and draws ray diagrams for plane and curved mirrors.

Learning Objectives

- Understand the core concepts of Light Reflection and Refraction.
- Apply learned techniques to solve related problems.
- Connect this topic to real-world Rwandan contexts.
- Build mastery toward Physics Grade S1 proficiency.
- Prepare for competency assessments and national exams.

Study Notes

Use this space to write key concepts, formulas, and worked examples.
