

S1 Physics: States of Matter and Particle Theory

Competency: Matter States and Properties | Difficulty: Beginner | Duration: 35 min | Material #41

Learning Overview

Describes the particle model of matter and explains properties of solids, liquids and gases.

Learning Objectives

- Understand the core concepts of Matter States and Properties.
- Apply learned techniques to solve related problems.
- Connect this topic to real-world Rwandan contexts.
- Build mastery toward Physics Grade S1 proficiency.
- Prepare for competency assessments and national exams.

Study Notes

Use this space to write key concepts, formulas, and worked examples.
